SOUTH AFRICA

With nine different provinces, 11 official languages and 3 capital cities, South Africa will most definitely make you stop in your tracks and go – WOW.

DAY 1: Johannesburg to Nkambeni Camp (Lunch / Dinner)

Leaving Johannesburg, we head towards the Lowveld and our camp situated within the border of the famous Kruger National Park. On our way, we pass through the southern section of the picturesque Panorama Route – famous for its breathtaking vistas. Our camp for the next two nights is a short drive from the Kruger Park Gate and has some interesting local residents that include hippo, giraffe, zebra and impala.

Included: Kruger National Park night game drive

DAY 2: Nkambeni Camp (Breakfast / Lunch / Dinner)

Today we explore the amazing Kruger National Park. Covering 19 485 km² - 60 km wide and over 350 km long, this conservation area has more than 146 mammals, 500 bird, 114 reptile, 33 amphibian & 49 fish species. 23 000 different types of plants have been recorded. We spend the day driving around the park keeping an eye out for these. There is the option of doing a night drive looking for a few of the nocturnal inhabitants or upgrading to a small vehicle for the game drive at an additional cost.

Included Activity: Game Drives in ATC vehicle

DAY 3: Nkambeni Camp to Blyde River Canyon Area (Breakfast / Lunch / Dinner)

Today we leave the Lowveld and head on the long, scenic drive to Blydepoort. Along the way we stop off at some of the best scenery in South Africa, including the ever striking Blyde River Canyon and God's Window. The many viewpoints of the Canyon, afford us excellent photo opportunities. Polokwane, capital of Limpopo, is the largest metropolitan complex in the north and a major economic centre. Its proximity to the neighbouring countries of Botswana, Zimbabwe, Mozambique and Swaziland, as well as its convenient distance from the Kruger National Park and Magoebaskloof, makes it a perfect gateway and good destination in itself. We set up our tents on the lush green grass of our campsite located outside of the city before enjoying a dip in the lovely swimming pool.

Please note that there is a small **entry fee** at each of these attractions that will need to be paid upon arrival. The money generated goes toward the support of the local communities. There are also many locals you sell their local crafts in this area.

DAY 4: Blyde River Canyon Area to Palapye (Breakfast / Lunch / Dinner)

After a quick replenishing of our stocks we begin our journey north toward Botswana. The small town of Palapye is situated about halfway between Francistown and Gaborone (Botswana's Capitol). This popular 'stopover' town for those en route to South Africa, is well known for the Morupule Colliery coal mines which supplies Morupule Power Station, Botswana's principal domestic source of electricity.

DAY 5: Palapye to Maun (Breakfast / Lunch / Dinner)

Maun is the starting point for travel into the Delta and it is from here that we set off to explore the Okavango Delta. Tonight, we prepare our provisions and packs for our overnight night excursion. We suggest bringing along a smaller daypack on your trip as this can be used to pack the supplies

needed for this short excursion. Your trip leader will brief you fully on what is needed, and what to expect prior to your trip to the Delta.

OKAVANGO DELTA

The Delta is a huge expanse of water, which has travelled from the Angolan highlands, spreading out to form the largest inland delta in the world. Studded with exotic islands, The Delta is renowned for its incredible variety of bird life and animals and is unique to Southern Africa.

All you have to do is sit back, relax and have your camera as you get guided through the dozens of mazes. The Okavango Delta is a bird lover's paradise enjoyed by all, best explored by foot and mokoro. With over 400 species of birds, 70 species of fish and an abundance of wildlife, your experience in the delta will leave you wanting to explore the whole of Africa.

DAY 6: Maun to Okavango Delta (Breakfast / Lunch / Dinner)

Optional Activity: Overnight Delta excursion

Here we have the opportunity to take the included overnight excursion into the Delta. After an early rise, we pack our expedition vehicle and from Maun we drive north for a couple of hours to reach the mokoro polder's station. The Delta region is studded with many local villages where many families live in a traditional way. Some of the villages are very remote and can only be reached by the traditional mode of transport – the Mokoro. Mokoros are dugout canoes manoeuvred through the waterways by local guides who "pole" them through the reeds. At the Mokoro station, we meet our 'Polers' and pack our supplies before heading out into the waterways. After a couple of hours along the waterways, we arrive at our mobile tented camp situated in the heart of the Okavango.

On arrival, you will meet the local staff who will be your host during your stay. A brief introduction to the camp will show you your dome tent with twin beds and a **bush en-suite bathroom** – long drop toilet and a bucket shower. Relax in the tent with a cold drink or take a paddle in the Delta in a canoe. The activities at the camp include Mokoro trails and guided walking.

DAY 7: Okavango Delta to Maun (Breakfast / Lunch / Dinner)

This morning affords us a final opportunity for a game walk before packing up and setting off back to Maun. After our Mokoro ride and vehicle transfer, we arrive back around lunch time and have the chance to complete our picture of the Okavango Delta by taking an optional scenic flight over The Delta (dependent on weather conditions & availability).

DAY 8: Maun to Nata Region (Breakfast / Lunch / Dinner)

We leave this beautiful part of Botswana behind us this morning as we depart to the lush campsite called Elephant Sands. The drive will take you through a very unpopulated landscape where the donkeys roam freely. Once we have arrived at our campsite you will have the option of partaking in a game drive or a bushwalk. Your crew will provide you with more information.

Optional Activity: Game Drive / Bush Walk

DAY 9: Nata Region to Chobe National Park (Breakfast / Lunch / Dinner)

We travel north to the town of Kasane where we set up camp on the banks of the Chobe River. The Chobe River forms a border between Botswana and Namibia and Zambia and is the main water source to the Chobe National Park. Elephant, hippo and many bird species can be viewed from the campsite while we watch another glorious African sunset. Listen out for the resident hippos!

Included Activity: Boat cruise on the Chobe River

DAY 10: Chobe National Park to Victoria Falls (Zimbabwe) (Breakfast / Lunch / Dinner)

Included Activity: Entrance to Victoria Falls

This morning we continue to the border of Zimbabwe. Once we've completed border formalities, we have a short drive to the nearby Victoria Falls. Named after the famous World Heritage site and Water Falls, the town of Victoria Falls is situated on the Zambezi River and surrounded by the Victoria Falls National Park. Our campsite is conveniently situated in the centre of town, and within walking distance of the adventure booking agents, restaurants and shops.

A short walk down the main road takes you to the entry point to view the falls, which are situated between Zimbabwe and Zambia. Victoria Falls, or Mosi-oa-Tunya (the Smoke that Thunders), was named by David Livingstone on his explorations, and is one of the Seven Natural Wonders of the World.

At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! After our adventure activities briefing (see price guide at the end of this document for options), the afternoon is spent relaxing at the campsite, viewing the Victoria Falls, or exploring the many sights and delights of this town!

DAY 11 – 12: Victoria Falls (Breakfast)

The next 2 days are spent relaxing or participating in a myriad of Optional Excursions. Some of our fellow passengers will leave us in Vic Falls, to be replaced by new passengers joining us for the next leg of our trek.

Optional Activities: Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the "floats," where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks.

BOTSWANA

The size of this successful country can be compared to countries such as Kenya or France, and fairly smaller than Texas. Botswana is a landlocked country with borders such as South Africa, Namibia, Zambia and Zimbabwe which can all be crossed overland. For such a small country, it boasts an array of spectacular game viewing opportunities such as, hundreds of elephants splashing in the Chobe River and the Okavango Delta and its maze of lagoons.

DAY 13: Victoria Falls to Chobe National Park, Botswana (Breakfast)

We head out from Victoria Falls to the border crossing to Botswana. Once we've completed the border formalities, we continue to the town of Kasane, situated on the banks of the Chobe River. The Chobe River forms a border between Botswana and Namibia and Zambia and is the main water source to the Chobe National Park. After lunch, we have time at leisure to relax. In the afternoon, we leave for our Chobe National Park Overnight Mobile excursion – an overnight experience in the wilds of the Chobe National park. Chobe is one of Botswana's premier game parks, renowned for its large elephant herds. Spend the afternoon in search of wildlife while we game drive to our camp within the park where we spend the evening surrounded by the night-time noises of the local wildlife. Look out for the rare Sable and Roan Antelope on your game drive, with their majestic backward slanting horns, or try keep a count of the Lilac Breasted Roller's that swoop by! After our night in the bush, we head out early to continue our search for wildlife, before packing up the camp and heading back to Kasane.

Included Activity: Chobe National Park Overnight Mobile excursion

DAY 14: Chobe National Park to Livingstone (Zambia) (Lunch / Dinner)

Once returning to the camp at Kasane, we get back on our truck and continue to the town of Livingstone. This afternoon we have the opportunity to view The Falls from the Mosi-oa-Tunya National Park, Zambia or partake in an optional sunset boat cruise on the Zambezi River. Another fantastic photo opportunity!

Optional Activity: Zambezi Sunset boat cruise

DAY 15: Livingstone to Eastern Zambia (Breakfast / Lunch / Dinner)

An early morning start sees us head north through southern Zambia. As we drive, we pass through a few of the villages and towns of Zambia along the way. Prosperous during the copper boom in the 60's, Zambia was able to build infrastructure at the main mining and farming communities. After the fall of the copper industry, the country was left virtually bankrupt and existing infrastructure was left to fall to ruin. Due to foreign investment and a rise in the mining industry, Zambia is today once again starting to prosper. The difference is evident in the cities with the availability of foreign stores, banks and imported cars, while the villages and smaller towns are still to catch up.

DAY 16: Eastern Zambia to South Luangwa National Park (Breakfast / Lunch / Dinner)

This breath-taking park is situated on the Luangwa River in the Eastern part of Zambia, and it is the southernmost of three national parks in this region. South Luangwa was founded in 1938 as a game reserve, 1972 was the year it was declared as a national park, and today it covers over 9000 kilometres squared. Animals such as Giraffe, buffalo and Elephants can be found in abundance. The Luangwa river is home to many a hippo and croc.

Included Activity: Game drives through South Luangwa National Park

DAY 17: South Luangwa to Chipata (Breakfast / Lunch / Dinner)

From Luangwa, we head north east on the old 'East Road' to a beautiful little campsite located just 10 km before the Zambia/Malawi border. In the days of old, the route from Cairo to Cape Town passed through Lusaka and it's along this route to Malawi we travel today. While today is mostly spent driving, we do cross the impressive Luangwa River Bridge which is heavily guarded due to its close proximity to the Zimbabwean & Malawian borders. We'll also stop off to purchase some fresh produce and coal from the local sellers along the way.

MALAWI

A variety of attractions can be found in this exquisite country such as, forest, mountains and many a rural village, but there is one major attraction – Lake Malawi. There are many small rustic resorts along this fresh water lake where you can kick back on the sand, and enjoy the perfect sunset over this lake. Malawi will offer you the perfect sub tropical climate, allowing you ample time to soak up the sun and work on that tan. Lilongwe is the largest city in Malawi, as well as the capital city. Malawi plays host to just over 12 million people, with English and Chichewa being the main languages.

Lake Malawi

Most your time in Malawi will be spent enjoying the white beaches and warm waters of Lake Malawi. Lake Malawi is also known as "the lake of stars", offering an abundance of water activities. With the staggering amount of 500 species of fish, this lake makes for an excellent spot for fresh water diving after meeting and greeting all the welcoming locals.

DAYS 18 - 20: Chipata to Lake Malawi Beaches (Malawi) (Breakfast / Lunch / Dinner)

Leaving Zambia, we cross into Malawi, the 'Warm Heart of Africa'. Malawi is a landlocked country with 20% of its total area made up of beautiful Lake Malawi. We camp first at the central Lake, and then in the northern area over the next 3 days.

Spend the days learning the game of bao from the locals, scour the markets for a bargain or simply relax on the pristine beaches. Malawi's temperate climate allows for swimming in the clear blue fresh-water lake all year round. Explore the beautiful shore where you'll happen upon the local fishermen sorting their catch. Traditional fishing techniques are still practiced and to appreciate their boating skills, try to paddle a dugout canoe yourself! At night, you'll see the 'fairy' lights of the fishermen out on the lake. The various beachside campsites along Lake Malawi's shores offer many optional Excursions including a variety of water sports, horseback rides and a visit to the local village and school (see pricing guide at the end of this document).

Optional activities vary; however, we do recommend that you take part in the village tour. Please that you can bring along pens, pencils, notepads, or dry starch food sorts for the villagers. Please speak to your crew for more information.

TANZANIA

Tanzania's natural environment and geographical features have made it one of the best tourist destinations in Africa. Being the biggest country in east Africa, Tanzania has heaps to offer her visitors, including 13 game reserves and national parks. Tanzania also forms part of the world's largest animal's movements, the great migration. Inland are the vast Serengeti National Park and the animal-packed Ngorongoro Conservation area, and thousands of people every year fulfil their lifetime achievement of climbing to the top of Mount Kilimanjaro, which is the highest mountain in Africa. On the coast, Zanzibar is exotic, intriguing and steeped in the unique Swahili culture.

DAY 21: Lake Malawi to Iringa (Tanzania) (Breakfast / Lunch / Dinner)

After a relaxing 4 days, we leave Malawi, entering Tanzania through the border post at Songwe. Winding our way through the beauty of the Tukuyu tea and banana plantations, we head towards Iringa where we spend the night in the beautiful rustic 'Farmhouse' campsite famous for its Amarula Hot Chocolates and its steamy showers!

DAY 22: Iringa to Dar es Salaam (Breakfast / Lunch / Dinner)

This morning we head off early and make our way to Dar es Salaam. We pass through the Mikumi National Park where it is possible to view a range of wildlife from the roadside, totally impervious to the passing traffic. Today's drive time is extended due to the heavier amount of traffic heading in to the city, but the sights and sounds of Dar's vibrant outer suburbs are sure to keep you entertained. Look out for the colourful shop-fronts with their sometimes humorous 'catch phrases'. On arrival in Dar es Salaam, we make our way to our lovely seaside campsite and prepare for our departure to Zanzibar the next morning.

DAY 23: Dar es Salaam to Zanzibar (Breakfast)

A ferry from Dar es Salaam takes us to the "Spice Island," where we spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands. New passengers may join us to replace those that'll leave us at the end of our excursion to Zanzibar.

Included Activity: Spice Tour & Dhow Excursion

Included Activity: Zanzibar excursion

PLEASE NOTE: Meals are for your own account whilst on Zanzibar, as it is our experience that passengers prefer to explore the island on their own, and in accordance with their own budget. The Trip Leader joins you and will arrange your activities, while meals can be enjoyed from a wide selection of restaurants. There are also a wide variety of optional excursions on offer – please see the price guide on the end of this document for more details.

PLEASE NOTE: New legislation prohibits the taking of photographs during the Zanzibar ferry ride. Spot fines can be issued, if legislation is not obeyed.

DAYS 24 & 25: Zanzibar (No Meals)

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island.

Zanzibar is a seafood lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

DAY 26: Zanzibar to Dar es Salaam (Dinner)

Leaving Zanzibar in the afternoon, we return to the mainland and another night in Dar es Salaam. Arrival back to camp is usually in the late afternoon, or early evening.

Day 27: Dar Es Salaam to Pangani* (Breakfast / Lunch / Dinner)

This morning we leave early and leave the hustle and bustle of this major Tanzanian city, and head towards the farmlands of this beautiful country. Today is used as a transit day to get us closer to Serengeti.

* Some trips may choose to forego this night at their own cost.

DAY 28: Pangani to Arusha (Breakfast / Lunch / Dinner)

From Dar es Salaam we have a long day's drive through vast sisal plantations and African bushveld to Arusha. On the way, we pass The Pare and Usambara Mountain ranges before driving through the town of Moshi. Moshi is the base for Mount Kilimanjaro climbing expeditions and weather permitting; we may even catch a glimpse of this magical mountain's snowy summit - a photo opportunity not to be missed! Tonight, we stay at a campsite in Meserani on the outskirts of Arusha, before heading out on our Optional Excursions to the Serengeti and Ngorongoro Crater tomorrow.

DAY 29: Arusha to Karatu (Breakfast / Lunch / Dinner)

This morning we visit the Meserani Reptile Park and Masai Cultural Museum. A few minutes' walk from the campsite is a gallery selling the bright and iconic Tinga Tinga paintings. Alternatively, the town of Arusha is nearby to explore. After enjoying lunch at our camp against the backdrop of Mount Meru we meet our Tanzanian guides and transfer into locally operated 4WD vehicles. These vehicles have been adapted for safari use and allow excellent viewing and photographic opportunities through the opening roof hatches.

Included Activity: Serengeti & Ngorongoro Excursion

Leaving our camp, we travel via the Masai town of Mtu Wa Mbu (Mosquito River) that lies adjacent to the Lake Manyara National Park and then up the Rift Valley Escarpment to the higher lying village of Karatu. Karatu offers magnificent views over the surrounding hills and has many well-established wheat farms that add to the picturesque panoramas. Tonight, we spend the evening at a very pleasant campsite in Karatu (campsite has ablution facilities).

DAY 30: Karatu to Ngorongoro Crater and Serengeti National Park (Breakfast / Lunch / Dinner)

This morning we depart early for the Ngorongoro Conservation area and head into the wildlife rich Ngorongoro Crater. The Ngorongoro Crater is the largest unbroken, unflooded caldera in the world. Comprising of open savannahs, acacia forests and both soda and fresh water lakes, the Ngorongoro Crater is truly a miniature 'Garden of Eden'. This World Heritage Site boasts some of the best game viewing in Africa – including the elusive Black Rhino.

After our game drive in the Crater, we head down the Crater rim and past the 'Cradle of Mankind' on our way to the Serengeti National Park. We cross the vast plains as we game drive through the southern and central areas in the park. Tonight, we camp (no ablution facilities) in the bushveld surrounded by the sounds of the African wilderness. Without any fences surrounding our campsite we are truly in the midst of nature!

DAY 31: Serengeti National Park to Arusha (Breakfast / Lunch / Dinner)

In the morning, we head off for another game drive and explore the landscape in search of the resident game. With some luck, we may see some of Africa's 'Big 5'! Following our morning drive, we retrace our journey back across the plains and along the lush Crater rim to our truck at Arusha, where we spend the evening musing over our thrilling wildlife experience.

KENYA

Upon entering this beautiful east African country, you may be greeted with the words of "jambo" (hello) or "hakuna matata" (no problem) by the friendly locals. With a population of nearly 42 million and land area of more than 580 000 sq km Kenya is home to an abundance of animals and colourful tribes people, making it the perfect getaway for a once in a lifetime safari.

DAY 32: Arusha to Nairobi (Kenya) (Breakfast)

We set off early this morning and make our way to the Tanzania/ Kenyan border and the small border town of Namanga. After completing the border formalities, we continue on our journey to the Capital City Nairobi and our campsite on the outskirts of the city.

The rest of the day is yours at leisure to enjoy some of the many options available in this bustling city; visit The David Sheldrick Wildlife Trust, where you can view the orphaned baby Elephants at feeding time, or head to the Giraffe Centre in Langata, if you haven't had your fill of game viewing, then Nairobi National Park offers some great day trips or if you haven't quite got all those souvenirs you wanted, take a "Matatu" to the local curio markets close by the campsite. This evening why not try the fair on offer at the famous Carnivores restaurant.

WHAT IS NOT INCLUDED?

Flights, Airport departure taxes departure transfer, visas, meals unless otherwise stated, travel insurance, laundry, personal items, sleeping bag, pillow, tips & bottled water.

Meals on tour

Meals and menus vary as food is purchased en-route, and is subject to produce that is available seasonally in the areas we travel through. As we support the local communities along the way, fresh produce is mostly purchased direct from the producer or local grower and therefore has an organic appearance. Our safari cooks are able to offer a wide variety of menus with the ingredients available, even if the produce on offer is not of the same selection as what you may be used to back home.

The breakfast spread consists of bread (toast when time allows), spreads and cereals with a hot breakfast every few days. Lunches are mostly prepared en-route with a supply of 'build your own' sandwich ingredients available. Dinners are cooked in the evenings on arrival at the campsite. A wide array of dinner menus is on offer during your safari, consisting of curries, stews, pastas, BBQ's and even roasts!

Transport on tour

Our overland vehicles are custom built converted trucks that have seating space for our passengers and a storage area for luggage and all trip equipment. The trucks seat between 27-30 passengers on our camping trips. Most seats are forward facing, though some models have a combination of forward, backward and some inward facing seats with tables. Vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.

Participation on tour

All of the tours operated by ATC are participation trips meaning that all passengers are expected to help out around camp. The crew members running the trip will set up a rota system that will be followed. One day you may be on cleaning duty, the next day you may be on cooking duty and so forth. This is not only to make the trip easier for all involved but also for you as the passengers to get to know one another while on trip.
