DAY 2: Cape Town to Cederberg Area (Lunch / Dinner)

We head around Table Bay and continue north through the wheat growing 'bread basket' of South Africa. We cross the Pienekerskloof Pass into the rich fruit growing area along the Olifants River, named for the vast Elephant herds that used to roam in this fertile valley. Our first night is spent in a picturesque campsite with a view of the surrounding wine farms. Tonight, we camp under a canvass of stars – the perfect way to begin our African adventure.

DAY 3: Cederberg Area to the Gariep River (Breakfast / Lunch / Dinner)

From the Cederberg, we travel further north through the region known as Namaqualand, well known for its prolific display of Namaqua wildflowers that occur each spring. DAY 4: Gariep River to Fish River Canyon (Namibia) (Breakfast / Lunch / Dinner)

Today we cross into Namibia where, after a short drive, we reach the Fish River Canyon. At 161 km long, 27 km wide and about 550 m deep, it's the second largest canyon in the world. The outer canyon was formed by tectonic activity, while the erosion of the Fish River formed the inner canyon. A road follows the eastern rim, giving us access to several viewing points from where we can take in the spectacular vistas. **± 500KM**

Included Activity: A visit to Fish River Canyon

DAY 5: Fish River Canyon to Sesriem (Breakfast / Lunch / Diner)

An early start today, heading north we enter the area of the Namib-Naukluft desert, one of the oldest in the world. We base ourselves at Sesriem, a good place to experience the Namib and its many moods. A short distance away is Sossusvlei, surrounded by a dramatic array of sand dunes reputed to be the highest in the world. DAY 7: Swakopmund (Breakfast)

This morning after breakfast we head off in a north-westerly direction to meet the Atlantic Ocean at Walvis Bay. Our drive takes us across the Tropic of Capricorn – the 'imaginary line' that shows the southernmost point of direct sun, and signals the southern hemisphere's mid-summers day. From Walvis Bay, we follow the coast for some 35 km to arrive at Namibia's prime holiday resort - Swakopmund where we enjoy 2 nights of rest, relaxation and a little bit of adrenalin for those that are keen! Accommodation will be in dormitories for the next 2 nights, upgrades into private rooms are possible, but depend on availability and can be booked with your trip leader.

DAY 8: Swakopmund (Breakfast)

Founded by the Germans in 1892, their colonial influence is still evident today. Swakopmund has a selection of excellent coffee shops, restaurants & bars as well as many arts and crafts shops selling Namibian curios. There are fine beaches to walk along as well as a great museum, aquarium and galleries to visit. Alternatively, the lovely beach and promenade make for a great relaxing walk – though bathing in the ocean waters may be somewhat chilly!

Optional Activities: Sky diving, quad biking, sand boarding, scenic desert flights, dolphin cruises, fishing trips, golf, horse riding and more. An activity briefing will be held on arrival in Swakopmund

Our departure from Swakopmund takes through the 'Matterhorn of Namibia' - Spitzkoppe. The 1728 m high rock formation, one of Namibia's most recognised landmarks, is well known as an ancient San sacred site. Explore the surrounding area and its San rock paintings or simply enjoy the magnificent views. After our visit to Spitzkoppe we head off to our next destination – Brandberg. **± 350KM**

DAY 9: Brandberg (UIS) (Breakfast/ Lunch/ Dinner)

The Brandberg is famous for numerous rock paintings by indigenous African people, The San. The San are also known as the Bushmen. Some of the painting are up to 4000 years old. The painting feature warriors, hunters and many different animals.

Today's drive takes us further north through the Namibian countryside to our campsite, located in the vicinity of the National Park. **±300KM**

DAY 11 & 12: Etosha National Park Area (Breakfast / Lunch / Dinner)

We head to the area of Etosha National Park. Covering 22 700 km², Etosha is Namibia's premier nature and wildlife reserve. Situated around the Etosha Pan with a large variety of animal and bird life, the extensive network of gravel roads affords us the opportunity of accessing even the most remote areas of the park. After lunch, and once it has cooled off a bit, we spend the remainder of the day exploring the park's southern area. Keep an eye out for the striking Oryx and Springbok as these are endemic to desert National Parks! Tonight's camp is situated just outside the park's boundaries, only 10kms from Anderson Gate. Perhaps a quick dip in the pool or a sun downer on the deck before dinner, followed by a relaxing evening in this interesting bar. **± 350KM**

Optional Activity: Game Drive

Today we make our way across the park, keeping a look out for the many different mammals, reptiles, birds and insects in the various regions. As the vegetation types change, so does the animal and bird life that relies on it, and so different sections of the Park offer a variety of different game options. After a full day of game viewing, we spend the evening relaxing at our camp in the north of the park, Namutoni. Included Activity: Overnight Delta excursion

Here we have the opportunity to take the included overnight excursion into the Delta. After an early rise, we pack our expedition vehicle and from Maun we drive north for a couple of hours to reach the

mokoro peler's station. The Delta region is studded with many local villages where many families live in a traditional way. Some of the villages are very remote and can only be reached by the traditional mode of transport – the Mokoro. Mokoros are dugout canoes manoeuvred through the waterways by local guides who “pole” them through the reeds. At the Mokoro station, we meet our ‘Polers’ and pack our supplies before heading out into the waterways. After a couple of hours along the waterways, we arrive at our mobile tented camp situated in the heart of the Okavango.

On arrival, you will meet the local staff who will be your host during your stay. A brief introduction to the camp will show you your dome tent with twin beds and a ***bush en-suite bathroom*** – long drop toilet and a bucket shower. Relax in the tent with a cold drink or take a paddle in the Delta in a canoe. The activities at the camp include Mokoro trails and guided walking

DAY 17: Okavango Delta to Maun (Breakfast / Lunch / Dinner)

DAY 19: Nata Region to Chobe National Park (Breakfast / Lunch / Dinner)

We travel north to the town of Kasane where we set up camp on the banks of the Chobe River. The Chobe River forms a border between Botswana and Namibia and Zambia and is the main water source to the Chobe National Park. Elephant, hippo and many bird species can be viewed from the campsite while we watch another glorious African sunset. Listen out for the resident hippos! ± **350KM**

DAY 20 & 21: Chobe National Park (Breakfast / Lunch / Dinner)

This morning we have a chance to sleep in or explore the town of Kasane. When we are packed and prepared, we leave for our Chobe National Park Overnight Mobile excursion – an overnight experience in the wilds of the Chobe National park. Chobe is one of Botswana’s premier game parks, renowned for its large elephant herds. Spend the afternoon in search of wildlife while we game drive to our camp within the park where we spend the evening surrounded by the night-time noises of the local wildlife. Look out for the rare Sable and Roan Antelope on your game drive, with their majestic backward slanting horns, or try keep a count of the Lilac Breasted Roller’s that swoop by! After our night in the bush, we head out early to continue our search for wildlife, before packing up the camp and heading back to Kasane, and Victoria Falls.

ZIMBABWE

This landlocked country is situated in the southern part of Africa, between the mighty Zambezi and Limpopo Rivers. The word Zimbabwe is believed to have two meanings, 1) it is believed the word Zimbabwe is derived from dzimba-dza-mabwe, which means “large house of stone” in the Shona

(Karanga Dialect) language. 2) It is also believed to be derived from the word dzimba-hwe which means venerated houses in the Zezuru dialect of Shona. **± 250KM**

Included Activity: Entrance to Victoria Falls

Once returning to camp, we get back on our truck and continue to the border of Zimbabwe. Once we've completed border formalities, we have a short drive to the nearby Victoria Falls. Named after the famous World Heritage site and Water Falls, the town of Victoria Falls is situated on the Zambezi River and surrounded by the Victoria Falls National Park. Our campsite is conveniently situated in the centre of town, and within walking distance of the adventure booking agents, restaurants and shops.

The next 2 days are spent relaxing or participating in a myriad of Optional Excursions.

A short walk down the main road takes you to the entry point to view the falls, which are situated between Zimbabwe and Zambia. Victoria Falls, or Mosi-oa-Tunya (the Smoke that Thunders), was named by David Livingstone on his explorations, and is one of the Seven Natural Wonders of the World.

At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! After our adventure activities briefing, the afternoon is spent relaxing at the campsite, viewing the Victoria Falls, or exploring the many sights and delights of this town!

Some of our fellow passengers will leave us in Vic Falls, to be replaced by new passengers joining us for the next leg of our trek. **± 150KM**

Optional Activities: Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the "floats," where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks.

Meals on tour

Meals and menus vary as food is purchased en-route, and is subject to produce that is available seasonally in the areas we travel through. Our safari cooks are able to offer a wide variety of menus with the ingredients available, even if the produce on offer is not of the same selection as what you may be used to back home.

The breakfast spread consists of bread, spreads and cereals with a hot breakfast every few days. Lunches are mostly prepared en-route with a supply of 'build your own' sandwich ingredients available. Dinners are cooked in the evenings on arrival at the campsite. A wide array of dinner menus is on offer during your safari, consisting of curries, stews, pastas, and BBQ's.

Transport on tour

Our overland vehicles are custom built converted trucks that have seating space for our passengers and a storage area for luggage and all trip equipment. The trucks seat between 27-30 passengers on our camping trips. Most seats are forward facing, though some models have a combination of forward, backward and some inward facing seats with tables. Vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.

Participation on tour

All of the tours operated by ATC are participation trips meaning that all passengers are expected to help out around camp. The crew members running the trip will set up a rota system that will be followed. One day you may be on cleaning duty, the next day you may be on cooking duty and so forth. This is not only to make the trip easier for all involved but also for you as the passengers to get to know one another while on trip.
